

Group 1 Solutions, Inc.

Press Release

FOR IMMEDIATE RELEASE

HEADLINE: Captain Mike Wills, Palm Springs Fire Department (CA), Joins Business Development Team

BODY:

(GLEN ELLYN, IL - September 14, 2009) - Group 1 Solutions, Inc. (Group 1) is very pleased to announce that Mike Wills, Captain with the Palm Springs Fire Department (CA), has joined our business development team to represent Group 1 tactical response application, Remote Access™, to fire, police and emergency management agencies in the southern California area.

Although Mike is currently the "Mobile Mapping & GIS Coordinator" for Palm Springs FD, he brings a wide set of experiences and skills to Group 1. Highlights include the following:

- Attended Santa Ana College for an AA in Fire Technology.
- Worked for the California Dept of Forestry and Fire Protection (Cal-Fire) for two seasons as a "Seasonal Firefighter".
- Started with the City of Palm Springs in 1979 as a firefighter, was promoted to Engineer in 1982 and Captain in 1985.
- Attended the National Fire Academy, Emmitsburg, MD for "Information Management in the Fire Service", 1986.
- Earned a BA in Business Administration and Management California State University San Bernardino, 1992.
- Credentialed as a California State Certified Chief Officer.
- Largest fire ever assigned to; Marble-Cone fire in Los Ventanas Wilderness in 1977 near King City in central California (168K+ acres).
- Hottest day ever fighting a fire; 124° F in 1981 in Palm Springs CA.
- Reason for joining the fire service; his younger brother is also in the business.

We are very proud that Mike decided to join the Group 1 Team.

Group 1 Solutions, Inc. is a professional services firm exclusively serving all units of government with consulting, conversion services, and advanced software solutions for civilian and military force and property protection. More public safety agencies use Remote Access™ more times per day to protect more citizens than any other tactical response application in the nation. Group 1 is the market leader in GIS-centric mobile intelligence solutions. To learn more about Remote Access™ and Group 1, please contact one of the offices listed below.
